# *Functional Questions*

1. AIESEC is developing leaders, how do you think we can develop the exchange participants coming to Tunisia ?
2. Choose an SDG (Sustainable Development Goal) and suggest a project based on it that the Exchange Participants can work on when they come to Tunisia
3. If you had the chance to volunteer in a project abroad, what SDG (Sustainable Development Goal) would you choose to work on and why ?
4. What is the process taken to sell any product ? For example a new kind of pizza entering the market
5. What do you think are the needed skills that any student should have nowadays ?
6. Imagine that you finished your studies and you're going to start looking for a job , create an example of the CV that you need to have to score a position in a big company

*Good luck.*
